

11th September 2026

Dear Parents and Carers

ClassDojo

We are delighted to announce that we will be launching ClassDojo across the school to strengthen communication between home and school and to celebrate our pupils' achievements.

Over the coming days, your child will bring home your parental login details. Once you have logged in, you will be able to view:

- Your child's Class Story, where teachers will share updates, learning highlights and celebrations from the classroom.
- The Whole School Story, where we will post important announcements, events and achievements from across the school community.
- Your child's Habit Points, which are awarded for demonstrating our school values in everyday school life.

Value Points contribute towards our half-termly rewards and House rewards, allowing pupils to earn recognition for their care, respect, ambition, creativity, confidence and integrity.

We encourage all families to log in and check ClassDojo regularly to keep up to date with the fantastic learning and achievements taking place each day.

Please note that ClassDojo is primarily a platform for teachers and the school to showcase learning, share updates and celebrate rewards. If you would like to speak with your child's teacher or another member of staff, please do so at the end of the school day, speak to a member of staff on the gate, or contact the school office.

If you experience any difficulties accessing your account, please contact the school office and we will be happy to help.

Thank you for your continued support. We are excited to share this new way of celebrating our pupils' achievements and strengthening our home-school partnership.

Yours sincerely

Mrs Mullen
Executive Assistant
